PETITION FOR RULE MAKING

WAB Broadcasting ("WAB"), by its attorneys and pursuant to Sections 1.401 of the Commission's Rules, hereby submits its Petition for Rule Making, seeking amendment of Section 73.202(b), Table of Allotments. WAB requests that the Commission amend the FM Table of Allotments to allot Channel 263A to Refugio, Texas, as the community's second local aural service. In support of this request, WAB states the following:

1. The allotment of Channel 263A to Refugio would provide that community with its second local aural service. Moreover, Channel 263A can be allotted to Refugio using reference coordinates 28-21-00 NL; 97-16-30 WL, consistent with the Commission's distance separation requirements.¹ (See also Engineering Exhibit attached hereto).

¹ The allocation of Channel 263A to Refugio can be made consistent with the Commission's spacing requirements provided that the allocation is made with a site restriction of 5 kilometers due north of Refugio to prevent short spacing to Station KSAB at Robstown, Texas.

List A B C D E MMB

2. Refugio has one local station, Station KTKY(FM), operating on Channel 291C3. However, the community of approximately 3000 people² is supported by several local services (Police, Sheriff, Post Office, Refugio Volunteer Fire Department, Refugio Memorial Hospital) and businesses (Central Texas Gas & Electric, First National Bank of Refugio, Exxon and Quintanna Gas Production companies), and would benefit from the addition of a second local transmission service. Moreover, presently the Commission has no planned use for Channel 263A that would conflict with the channel's allotment to Refugio.

3. In sum, WAB requests that the Commission grant the instant petition for rule making and amend the FM Table of Allotments to allot Channel 263A to Refugio, Texas. If Channel 263A is allotted as requested, WAB intends to file with the Commission an application for a construction permit, and if awarded the permit intends to construct and operate Channel 263A at Refugio, Texas.

Respectfully submitted,

WAB BROADCASTING
